John W. Stevenson, Apostle

You must endure a little longer and trust me in this journey... For my ways are not your ways and your thoughts are not my thoughts... I am releasing my Grace for you to endure... My will is perfectly executed as you are patient and not anxious... as you are prayerful and not fearful...

For the world is being prepared for the greatest outpouring of my Spirit... He will cover the earth and usher in the greatest harvest ever seen... you must remember that in light of eternity, this is just moment in time...

Take your eyes off of the circumstances and focus your attention on Me... listen for My Voice... above every voice... My people know My voice... I will lead you and guide you through this season... I have already made provision for you... you must trust Me and not doubt Me nor My intentions for you or the world in which you live...

I AM bringing all things in alignment with My will... My Purpose, My Plan... Even that which appears not to be is part of my Sovereign Plan... exercise your faith to walk in the power and authority I have given you...

Do not draw back or be timid to speak My Name and declare My Good Works... You have the Words of life and the charge of reconciliation... Now is the time for you to step into your place... You must be bold and courageous... Share my love, share my forgiveness, share my gift of salvation...
