Discerning His Divine Intentions

There are assignments (opportunities) that will seem beyond reason, your abilities and capabilities... You must be willing to work through being uncomfortable, feeling unprepared in that new assignment and trust God to settle you in **YOUR** place...

THREE KINGDOM ASSIGNMENT CONSIDERATIONS

heirscovenant.com

Kingdom Assignments are not always preferred assignments. They often encompass a demand that is seemingly beyond our capability, and sometimes go beyond our desire. It will require faith, obedience and sacrifice on our part to see that the goal is accomplished!!!

There is a GRACE that comes with every Kingdom Assignment that is only released once you have accepted the assignment as being from God.

Any other perspective will potentially lead to feelings of discouragement and thoughts of time being wasted, when, in fact, no time in God is EVER wasted!

Grace of God:

“An instantaneous enablement by God in the power of the Holy Spirit to do or say something beyond one’s natural ability in order to fulfill a specific purpose of God in the time frame in which God permits it”

Walking out a Kingdom Assignment requires a much bigger perspective! An ETERNAL perspective! A KINGDOM Perspective! A perspective that says THIS assignment, THIS season is a part of something much bigger, grander, more glorious, yet to be revealed!!! It will be this constant reminder that helps to recalibrate our feelings and thoughts as we endeavor to do the Will of God!

"FOUR KINGDOM ASSIGNMENT REALITIES"

With Advancement comes Opposition

2 Corinthians 4:7-10

But we have this treasure in earthen vessels, so that the surpassing greatness of the power will be of God and not from ourselves; we are afflicted in every way, but not crushed; perplexed, but not despairing; persecuted, but not forsaken; struck down, but not destroyed; always carrying about in the body the dying of Jesus, so that the life of Jesus also may be manifested in our body.

With Purpose Comes Process

James 1:2-7

Consider it a sheer gift, friends, when tests and challenges come at you from all sides. You know that under pressure, your faith-life is forced into the open and shows its true colors. So don't try to get out of anything prematurely. Let it (the Process) do its work so you become mature and well-developed, not deficient in any way. If you don't know what you're doing, pray to the Father. He loves to help. You'll get his help, and won't be condescended to when you ask for it. Ask boldly, believingly, without a second thought. People who "worry their prayers" are like wind-whipped waves. Don't think you're going to get anything from the Master that way, adrift at sea, keeping all your options open.

With Destiny Comes Distractions

Hebrews 12:1-3

Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance and the sin which so easily entangles us, and let us run with endurance the race that is set before us, fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God. For consider Him who has endured such hostility by sinners against Himself, so that you will not grow weary and lose heart.
